SCHOOL ACADEMY REPORT 2025 -26

It gives us immense pleasure and pride to be a part of the noble mission of imparting quality education to the children from all the sections of the society without prejudice and without discrimination of any kind. "Learning is not the product of teaching. Learning is the product of the activity of learners."

There is always a podium laid for every individual to Dream! To Desire! To Determine! To decide their Destiny, Yashodham Public School is one of the best in discovering every approach as a flair to bloom into different colors. With gratitude to God! We completed a continuous journey of 25 years; here comes our Annual Report for the academic year 2025-26. "Yashodham Public School & Jr. College, Malkapur is the name that needs no introduction in the field of quality education."

The pioneer, the founder, the Chairman of the YPS school. Dr. Vaibhav Mahajan Sir has established this school in the year 2001 (with 65) students with a vision to give education to all the children at a very low price such that even a poor man can also avail it which enlightens the society & country also. He is serving many families by giving employment to many people. In 2001, he gave employment to 15 members, now the empire has augmented to 225 staff members and 2400 students. In metros and strapping cities we have CBSE good quality education schools but we are fortunate to have Dr. Vaibhav Mahajan Sir who brought this quality education to Malkapur.

As per the new education policy of CBSE. We are following NEP. – 2020 for all the classes from Nursery to Std. – 10 with the updated technology.

1. We have (CCA) Co – Curricular Activities like Dance, Music, Quiz, Elocution, Clay Molding, Making Best out of waste etc. for all the

classes at their levels. These competitions are nearly of 18 different modules.

2. Health is wealth, As a doctor, Dr. Vaibhav Mahajan Sir emphasis this statement devotedly that's why he conducted health check – up program for all the students, teachers and non – academic staff members equally.
3. This year digital education was introduced. Digital classrooms were set up. Many lectures & classes were taken by the teachers related to their lessons. This enables the child to think and understand the concepts very precisely.
4. To enhance the communication skills of the students we initiated with the English Club program which affirms every child to discourse in English only. It is a survival language where it has become mandatory for every child to present themselves successfully.
5. Saving the environment is very much important, preserving and protecting our natural resources is also very much essential. As we know the significance of it we have started ECO Club imparting the knowledge to the students to plant more Trees, Not to waste food, not to waste water, as we adore our natural resources.
6. We encourage students in painting, designing, drawing etc. Our art department of 7 teachers are completely focusing on the practical skills of the students. They have also made the children to appear the Elementary level & Intermediate level exams conducted by the state Government. Here our pupils from classes 7 to 10th nearly 150 students participated and performed extremely fantastic for which they secured good positions & obtained Govt. certificate which adhere them for their carrier.
7. To honor & respect our traditional festivals & rituals we also inculcated in them the knowledge by celebrating festivals like Janmashami, Dussehra, Diwali, Ganesh Chaturthi etc.
8. Along with the students, Teachers are also very important for which we had taken up the special teaching skills & training sessions for all

the entire teachers to update their skills towards the personality development of their own self where they can sharpen the upcoming, future citizen of India in a structured and magnificent way by showing them the right path.

9. As physical education plays a vital role in the child's life, we give equal importance to the sports next to academics. Our students both boys and girls equally participated in the sports like Ball Badminton, Chess, Football, Kabaddi, Valley Ball, Kho – Kho etc. in all the categories along with the athletics nearly around 1216 students took part & won the marvelous medals, trophies and top positions for YPS i.e.

Taluka Level – 350

District Level – 693

Divisional Level – 149

State Level – 135

National Level – 17

10. Highest no. of places were won by one & only YPS. It's a pride movement to share that Ball Badminton girl's category – State level competition was conducted in our school. Where 35 teams from different districts took part in this.

11. The most important & prestigious examination Std. 10 Board exams, our first batch appeared in the year 2014. We secured tremendous result with 97.2% . Miss. Rashi Mahajan – 97.2%. She is a Topper of the YPS & also the District and division topper of Amravati Region.

In 2025, 150 students appeared for the exam.

Janhavi Pankaj Narkhede – 96.6% School Topper

Sarthak Vilas Rane – 95.4% 2nd Topper

Shravani Ganeshsing Rajput – 95.2% 3rd Topper

Above 90% – 29 students.

80 to 90% – 40 students

Above 60% – 136 students

Overall average – 385

Every year our 10<sup>th</sup> Batch Blasts the results grandly by satisfying their parents.

12. Interaction with the parents, discussing their concerns & resolving the things boldly for which we have the PTM after every term exam. In this outline teachers discuss about the children's academics with them.

13. We also take the pupils for excursion field trips, educational tours etc. at their class levels. Like Std. – 1<sup>st</sup>, 2<sup>nd</sup> students were taken to visit the Post Office, Police Station etc. as a part of their lessons.

To bring the overall development in the child in all the possible ways where children can opt as per their interest. We need to edify and instill knowledge in them with proper etiquettes for which we have started Pasaydaan. Taking forward his vision & apprehension under the Leadership of Principal Mrs. P. Usha ma'am with the teachers and all the staff members support trying to uplift the career of every child and structure them properly as they become the most exceptional children to their parents and dynamic citizens of our country India.

Anticipating your kind co – operation in every aspect of work we do  
I Gauri Chandak, school Head Boy from Std. 10 – 2025-26.

On behalf of all my brothers and sisters and fellow beings that we everlastingly keep our YPS flag and fame always high and bring Laurels to our school and our motherland. I am proud to be the student of YPS.

Here every child turns into a Leader but not the followers. I mean it that “Learn today and Lead tomorrow “

Thank you one and all.
